**Where a credit is shown as converted from a currency other than your primary currency, that credit is subject to change until paid. Currency conversion rates may fluctuate on a daily basis, and credits earned and converted from a currency other than your primary currency are not final until payment is made. For this reason, only cleared earnings generated in your primary currency may be used for purchases at this site.

A sunset over the ocean with the word 'KAUAI' in large blue 3D letters. The sun is low on the horizon, creating a golden glow on the water's surface. The letters are bold and have a slight shadow, giving them a three-dimensional appearance. The background shows gentle waves and a clear sky with some light clouds.

KAUAI

2012
